

# TIPS FOR EASY FUNDRAISING!

CancerFree KIDS

Night for the Fight

IT'S EASY TO RAISE \$ FOR A GOOD CAUSE!  
YOUR FAMILY AND FRIENDS WILL LOVE HEARING  
WHAT YOU ARE DOING FOR KIDS WITH CANCER!

CHOOSE THE IDEAS THAT FIT BEST FOR YOU!

## 1 PEOPLE WANT TO SUPPORT YOU!

Personalize your fundraising page to tell people why you are staying UP ALL NIGHT for kids with cancer. Just sign in at [N4TF.org](http://N4TF.org) and edit your page. Need help? Contact: [ann@cancerfreekids.org](mailto:ann@cancerfreekids.org).

## 2 ASK FOR A SPECIFIC AMOUNT

When you email friends and relatives, one idea is to ask if they will sponsor you for \$1 PER HOUR that you will be staying up - that's only \$12. Most people are happy to do that!

## 3 PEOPLE ARE BUSY..AND FORGETFUL!

Even though they mean to, most people don't give on the first ask because they forget. Don't be afraid to send reminders! "*There's still time to support me while I FIGHT for kids with cancer!*"

## 4 BE SOCIAL

Post on your Facebook and Twitter at the same time you send out emails to people (AND your parents' pages too!) ALWAYS include a link to your fundraising page (find it in the email you received when you first registered OR go to [N4TF.org](http://N4TF.org) and find your own name through the DONATE button).

## 5 TEAM ACTIVITIES

Get your team together for a group fundraiser - ask a local business to host a benefit night for you OR host a bake sale or car wash at your school's next sporting event!

## 6 PIZZA!!!!!!

A super easy way to raise money is selling Donatos Pizza cards! They only cost \$10 each but have HUGE value!
